

MARJORAM

Origanum Majorana

12-18" Spacing • 12-16" Height
Annual • Full sun • Zone 9-11

- This small leafed herb has green oval leaves
- Similar taste to oregano, with edible flowers
- Good for making mushroom, asparagus and artichoke marinades
- You can even use this herb to relieve aches and pains in a bath
- Best used in meats, fish, salads, sauces and stews
